Dear Shareholder

Issue of equity and Notice of General Meeting

1. Introduction

The Company announced on 2 May 2018 that it has conditionally raised £1 million before expenses by way of the Placing.

Of the funds raised pursuant to the Placing, £633,920 is conditional, *inter alia*, on the approval of shareholders of the Resolutions at the General Meeting to provide authority to the Directors to issue and allot further new ordinary shares otherwise than on a non-pre-emptive basis, further details of which are set out below.

The purpose of this letter is to explain to Shareholders the background to and reasons for the Placing and to seek Shareholders' approval of the Resolutions to enable the Directors to complete the Placing. The Notice of General Meeting is set out at the end of this document and a Form of Proxy is also enclosed for you to complete.

2. Background to and reasons for the Placing

The Board had intended to only utilise the existing share authority levels, however, given the high demand for this placing, the Board decided to increase the size of the fundraise but limit it to the £1 million level, to avoid unnecessary dilution while it continues to seek alternative funding for its proposed drill programme in the Paradox.

Following on from the recent acquisition of additional acreage in the Paradox, a substantial proportion of the net proceeds of the Placing will be used to further prepare for the next stages of the Company's Paradox project, such as updating the competent person's report, which is expected to be completed within six weeks. Additionally, in order to place the Company in the best possible position to secure funding for the drilling programme and be "drill ready" once the application for permit to drill is granted (expected Q3 this year), part of the Placing funds will be utilised for the required operator bond and insurance requirements of the Bureau of Land Management and State of Utah Lands regulations. The improved funding position of the Group, as a result of this fundraise, will also improve the negotiating position of the Board as it progresses through the process of funding the drilling programme for the Company's first Paradox wells.

In addition, part of the Placing proceeds may be used to fund certain business development activity. As the Company's activity in the Paradox basin has intensified, Rose has been approached by a number of

third parties about potential partnering and investment opportunities in the region. While the Company remains wholly focused on the Paradox project, the directors of Rose believe they should appraise any additional opportunities further, particularly those comprising producing assets, to see if there may be commercial synergies with the existing Paradox operations and whether they might add value to Rose's portfolio. The Paradox activity will remain the absolute priority, and there are no guarantees that any opportunities reviewed will develop further.

3. Details of the Placing

The Placing Shares to be issued pursuant to the Placing have been conditionally placed by Turner Pope Investments Limited, as agent of the Company, with certain existing and new investors pursuant to the Placing Agreement. In addition, subscribers in the Placing will be granted Warrants on the basis of one Warrant for each Placing Share subscribed. The issue of the Warrants is subject to Resolution 2 being passed to provide the requisite authority for the Warrants to be issued. The Warrants will be exercisable at a price of 6.5p per Ordinary Share, a 100 per cent. premium to the Placing Price, for a period of two years from issue. The Warrants will not be admitted to trading on AIM or any other stock exchange.

The Company currently has limited authority to allot new Ordinary Shares for cash on a non-pre-emptive basis. Accordingly, the Placing is being conducted in two tranches, represented by the First Placing Shares and the Second Placing Shares, as follows:

i. First Placing Shares

Utilising the Company's existing authorities to issue and allot shares on a non-pre-emptive basis, a total of £366,080, representing the issue of the 11,264,000 First Placing Shares at the Placing Price, has been raised. Application will be made for the First Placing Shares to be admitted to trading on AIM and it is expected that their admission to AIM will take place on or around 10 May 2018. The issue of the First Placing Shares is conditional only upon First Admission and the Placing Agreement becoming unconditional in respect of the First Placing Shares and not being terminated in accordance with its terms prior to First Admission.

ii. Second Placing Shares

The balance of the Placing, being £633,920 and representing the issue of the 19,505,231 Second Placing Shares at the Placing Price, is conditional upon, *inter alia*, the passing of the Resolutions (granting the Directors authority to issue and allot new ordinary shares otherwise than on a non-pre-emptive basis) at the General Meeting.

In addition, the Second Placing is conditional, *inter alia*, on the Placing Agreement becoming unconditional in respect of the Second Placing Shares and not being terminated in accordance with its terms prior to the admission of the Second Placing Shares to trading on AIM ("Second Admission"). Application will be made for the Second Placing Shares to be admitted to trading on AIM and it is expected that Second Admission will take place on or around 22 May 2018.

The Placing as a whole would, if the Resolutions are approved at the GM, result in the issue of 30,769,231 new Ordinary Shares, representing, in aggregate, approximately 21.5 per cent. of the Company's issued ordinary share capital as enlarged by the Placing. The First Placing is not conditional on the Second Placing completing.

The Placing Shares will, when issued, be credited as fully paid and will rank *pari passu* in all respects with the existing Ordinary Shares, including the right to receive all dividends or other distributions made, paid or declared in respect of such shares after the date of issue of the Placing Shares.

The Placing Agreement and the Broker Warrants

Under the terms of the Placing Agreement, TPI will receive commission from the Company conditional on First Admission and Second Admission and the Company will give customary warranties and undertakings to TPI in relation, *inter alia*, to its business and the performance of its duties. In addition,

the Company has agreed to indemnify TPI in relation to certain liabilities that they may incur in undertaking the Placing and exercising the Broker Warrants. TPI has the right to terminate the Placing Agreement in certain circumstances prior to First Admission and Second Admission in particular, in the event that there has been, *inter alia*, a material breach of any of the warranties. The Placing is not being underwritten.

In addition, for its services as Placing agent, TPI will be granted the Broker Warrants, the issue of which is subject to the Resolutions being passed to provide the requisite authority for the Broker Warrants to be issued. The Broker Warrants will be exercisable at a price of 6.5p per Ordinary Share, a 100 per cent. premium to the Placing Price, for a period of two years from issue. The Broker Warrants will not be admitted to trading on AIM or any other stock exchange.

4. General Meeting

The Company is convening the General Meeting to seek authority from Shareholders to issue and allot the Second Placing Shares and to enable the Warrants and the Broker Warrants to be issued.

Set out at the end of this document is the notice convening the GM to be held at 11.00 a.m. on 21 May 2018 at Allenby Capital Limited, 5 St. Helen's Place, London EC3A 6AB at which the Resolutions will be proposed.

The Resolutions to be proposed at the GM are as follows:

Resolution 1

An ordinary resolution to grant the Directors authority pursuant to section 551 of the Act to allot Ordinary Shares up to a nominal amount of £51,812.92, being an amount equivalent to the nominal value of the aggregate of the Second Placing Shares and Ordinary Shares that could be issued as a result of the exercise of the Warrants and the Broker Warrants, which represents approximately 36 per cent. of the Company's issued share capital following Second Admission.

Resolution 2

Conditional on the passing of Resolution 1 above, a special resolution to disapply pre-emption rights pursuant to section 570 of the Act. This Resolution allows the Directors to allot shares on a non-pre-emptive basis, limited to:

- (a) a nominal value of £51,812.92 for the issue and allotment of the Second Placing Shares and Ordinary Shares that could be issued as a result of the exercise of the Warrants and the Broker Warrants; and
- (b) allotments pursuant to offers of shares to existing Shareholders in proportion to their existing holdings subject only to exclusions to deal with fractional entitlements and legal or practical problems in connection with overseas territories.

5. Action to be taken

Shareholders will find enclosed with this document a reply-paid Form of Proxy for use at the GM. Whether or not you intend to be present at the GM, you are requested to complete and sign the Form of Proxy and return it to the Company's Registrars, Link Asset Services, The Registry, 34 Beckenham Road, Beckenham, Kent BR3 4TU as soon as possible and, in any event, so as to arrive no later than 11.00 a.m. on 18 May 2018. Unless the Form of Proxy is received by this date and time, it will be invalid. The completion and return of a Form of Proxy will not preclude you from attending the GM and voting in person if you so wish.

Shareholders are reminded that, if their Ordinary Shares are held in the name of a nominee, only that nominee or its duly appointed proxy can be counted in the quorum at the General Meeting.

If you are in any doubt as to what action you should take, you are recommended to seek your own personal financial advice from your broker, bank manager, solicitor, accountant or other independent financial adviser authorised under the Financial Services and Markets Act 2000 (as amended) if you are resident in the United Kingdom or, if not, from another appropriately authorised independent financial adviser, immediately.

6. Recommendation

The Directors consider that the Resolutions are in the best interests of the Company and its Shareholders as a whole. Accordingly, the Directors unanimously recommend that Shareholders vote in favour of the Resolutions to be proposed at the GM, as they intend to do in respect of their aggregate interests of 2,600,494 Ordinary Shares (representing approximately 2.31 per cent. of the Ordinary Shares).

Yours sincerely

Philip Jeffcock
Chairman

 - a. the allotment of equity securities in connection with any other offer (whether by way of rights issue, open offer or otherwise) to holders of Ordinary Shares in the capital of the Company in proportion (as nearly as may be) to their existing holdings of such shares, subject only to any exclusions or other arrangements which the Directors may deem necessary or expedient to deal with fractional entitlements, legal or practical problems arising in any overseas territory or the requirements of any regulatory body or stock exchange in any territory; and

and provided that this power shall expire at the conclusion of the next Annual General Meeting of the Company after the passing of this resolution or, if earlier, the date falling 15 months from the date of passing this Resolution (unless renewed, varied or revoked by the Company prior to or on that date), save that the Company may make an offer or agreement before the expiry of this power which would or might require equity securities to be allotted for cash after such expiry and the Directors may allot equity securities for cash pursuant to any such offer or agreement as if the

power conferred by this resolution had not expired. This authority is in substitution for all previous authorities conferred on the Directors in accordance with section 570 of the Act.

Notes:

Entitlement to attend and vote

- 1 Only those members registered on the Company's register of members at:
 - close of business on 18 May 2018; or,
 - if this general meeting is adjourned, at close of business on the day two days prior to the adjourned meeting, shall be entitled to attend and vote at the general meeting.

Appointment of proxies

- 2 A member is entitled to attend, speak and vote at the above meeting and is entitled to appoint one or more proxies to attend, speak and vote in his stead. A proxy need not be a member of the Company. You can only appoint a proxy using the procedures set out in these notes and the notes to the proxy form. If you wish your proxy to speak on your behalf at the general meeting you will need to appoint your own choice of proxy (not the Chairman) and give your instructions directly to them.
- 3 You may appoint more than one proxy provided each proxy is appointed to exercise rights attached to different shares. You may not appoint more than one proxy to exercise rights attached to any one share. To appoint more than one proxy, each different proxy appointment form must be received by Link Asset Services, 34 Beckenham Road, Beckenham, Kent, BR3 4TU not less than 48 hours before the time appointed for the meeting.
- 4 A vote withheld is not a vote in law which means that the vote will not be counted in the calculation of votes for or against the resolution. If no voting indication is given, your proxy will vote or abstain from voting at his or her discretion. Your proxy will vote (or abstain from voting) as he or she thinks fit in relation to any other matter which is put before the general meeting.
- 5 To be valid any form of proxy and power of attorney or other authority under which it is signed or a notarially certified or office copy of such power of authority must be lodged with the Company's Registrars: Link Asset Services, 34 Beckenham Road, Beckenham, Kent, BR3 4TU so as to be received not less than 48 hours before the time appointed for the meeting or any adjourned meeting. The return of a form of proxy will not preclude a member from attending and voting at the meeting in person should he subsequently decide to do so.
- 6 CREST members who wish to appoint a proxy or proxies by utilising the CREST electronic proxy appointment service may do so for the general meeting and any adjournment(s) thereof by utilising the procedures described in the CREST manual. CREST personal members or other CREST sponsored members, and those CREST members who have appointed a voting service provider(s), should refer to their CREST sponsor or voting service provider(s), who will be able to take the appropriate action on their behalf.
- 7 In order for a proxy appointment made by means of CREST to be valid, the appropriate CREST message (a CREST Proxy Instruction) must be properly authenticated in accordance with Euroclear UK & Ireland Limited's (EUI) specifications and must contain the information required for such instructions, as described in the CREST manual. The message must be transmitted so as to be received by the issuer's agent (Link Asset Services, ID RA10) not less than 48 hours before the time appointed for the meeting. For this purpose, the time of receipt will be taken to be the time (as determined by the timestamp applied to the message by the CREST applications host) from which the issuer's agent is able to retrieve the message by enquiry to CREST in the manner prescribed by CREST.

- 8 CREST members and, where applicable, their CREST sponsors or voting service providers should note that EUI does not make available special procedures in CREST for any particular messages. Normal system timings and limitations will therefore apply in relation to the input of CREST proxy instructions. It is the responsibility of the CREST member concerned to take (or, if the CREST member is a CREST personal member or sponsored member or has appointed a voting service provider(s), to procure that his CREST sponsor or voting service provider(s) take(s)) such action as shall be necessary to ensure that a message is transmitted by means of the CREST system by any particular time. In this connection, CREST members and, where applicable, their CREST sponsors or voting service providers are referred, in particular, to those sections of the CREST manual concerning practical limitations of the CREST system and timings.
- 9 The Company may treat as invalid a CREST proxy instruction in the circumstances set out in Regulation 35(5)(a) of the Uncertificated Securities Regulations 2001.
- 10 In the case of joint holders, where more than one of the joint holders purports to appoint a proxy, only the appointment submitted by the most senior holder will be accepted. Seniority is determined by the order in which the names of the joint holders appear in the Company's register of members in respect of the joint holding (the first-named being the most senior).

Changing proxy instructions

- 11 To change your proxy instructions simply submit a new proxy appointment using the methods set out above. Note that the cut-off time for receipt of proxy appointments (see above) also apply in relation to amended instructions; any amended proxy appointment received after the relevant cut-off time will be disregarded.

Where you have appointed a proxy using the hard-copy proxy form and would like to change the instructions using another hard-copy proxy form, please contact Link Asset Services on 0871 664 0300 in the UK (Calls cost 12p per minute plus your phone company's access charge. If you are outside the United Kingdom, please call +44 371 664 0300. Calls outside the United Kingdom will be charged at the applicable international rate. We are open between 9.00 a.m. – 5.30 p.m., Monday to Friday excluding public holidays in England and Wales.)

If you submit more than one valid proxy appointment, the appointment received last before the latest time for the receipt of proxies will take precedence.

Termination of proxy appointments

- 12 In order to revoke a proxy instruction you will need to inform the Company by sending a signed hard copy notice clearly stating your intention to revoke your proxy appointment to Link Asset Services, 34 Beckenham Road, Beckenham, Kent, BR3 4TU. In the case of a member which is a company, the revocation notice must be executed under its common seal or signed on its behalf by an officer of the Company or an attorney for the Company. Any power of attorney or any other authority under which the revocation notice is signed (or a duly certified copy of such power or authority) must be included with the revocation notice. The revocation notice must be received by Link Asset Services, 34 Beckenham Road, Beckenham, Kent, BR3 4TU no later than 48 hours prior to the meeting.

If you attempt to revoke your proxy appointment but the revocation is received after the time specified then, subject to the paragraph directly below, your proxy appointment will remain valid.

Appointment of a proxy does not preclude you from attending the general meeting and voting in person. If you have appointed a proxy and attend the general meeting in person, your proxy appointment will automatically be terminated.

Corporate representatives

- 13 A corporation which is a member can appoint one or more corporate representatives who may exercise, on its behalf, all its powers as a member provided that no more than one corporate representative exercises powers over the same share.

Issued shares and total voting rights

- 14 As at 6.00 p.m. on 2 May 2018, the Company's issued share capital comprised 112,644,709 Ordinary Shares of 0.1p each. Each Ordinary Share carries the right to one vote at a general meeting of the Company and, therefore, the total number of voting rights in the Company as at 6.00 p.m. on 2 May 2018 is 112,644,709.

Communication

- 15 Except as provided above, members who have general queries about the general meeting should contact the Company Secretary at Rose Petroleum plc 20-22 Wenlock Road, London, N1 7GU or on +44 (0) 207 225 4590 (no other methods of communication will be accepted). You may not use any electronic address provided either:

- in this notice of general meeting; or
- any related documents (including the Chairman's letter and proxy form), to communicate with the Company for any purposes other than those expressly stated.
